Hi ^{s22}
^{s47F(1)} before he left Friday gave me your names as the right people to offer support for the current media furore about your medicare forms using "birthing parent".

Pride in Health + Wellbeing is the sibling program of Pride in Diversity but focuses on inclusion within the health, wellbeing and human services sector.

If you'd like some support in navigating Medicare, forms, and other public-facing inclusion please feel free to contact me directly. My details are below.

Regards
Claire

Kind Regards,
