Bring your lunch and enjoy a sneak peek of the newest SBS Original series. The delightfully irreverent dramedy *While The Men Are Away* will be screened on **Wednesday 6 September from 12pm** in the Artarmon Atrium.

See Episode One three weeks before the premiere on SBS On Demand on **Wednesday 27 September**.

Co-creator of *While The Men Are Away*, Kim Wilson and actress Max McKenna on set.

While The Men Are Away is a historical revisionist series, reimagining 1940s Australia when men were at war and to be honest, that's pretty exciting for anyone who isn't a man!
